# Jill Dahne

World Renowned Love Psychic...

Featured Speaker Sat. 3pm & Sun. 2pm

Lecture Saturday 2pm rm 302

Lecture Sunday 3pm rm 302

**“Jill Dahne is the #1 Love Psychic in the World”**

— as quoted in the book  
*100 Top Psychics*

Dateline NBC says “Jill is so on target with her predictions, we were amazed.” Sought after Psychic to the Stars, her lifetime of work has catapulted her to World Renowned Fame. Her life was chronicled on Lifetime Television as the #1 Love Psychic for all of the marriages and relationships she has predicted throughout her life, over 1,000 to date. Jill is embedded in *Ripley’s Believe it or Not* as the Most Amazing Teenage Psychic (1977) and has been on Radio and Television since she was 6 years old. Jill’s accurate predictions have been spotlighted around the Globe on Major TV networks such as MSNBC which were “...astonished over the prediction of exact date & time of the capture of Saddam Hussein and the bombing in Madrid.” CBS covered Jill’s “on target” Presidential elections and has been on Court TV for unsolved murder cases and missing children as well as FOX’s yearly Celebrity Love Predictions and ABC with her Super Bowl prediction.

# Producer's Note

Welcome to **NEWLIFE EXPO** – the Disneyland of health and spirituality – at the Broward County Convention Center. Some commonly asked questions are:

### What Is The **NEWLIFE EXPO**?

**NEWLIFE EXPO** is America's original mind, body spirit symposium which first began in 1976. Since September 11 it seems that everyone's priorities have shifted. Everyone is searching inside for peace and new possibilities. Which is exactly what **NEWLIFE EXPO** is about. Exhibitors and speakers come from all over the world to share their information with you

### Who Attends the Expo?

People come to the **NEWLIFE EXPO** for many reasons. The secretary or stockbroker or taxi driver who never made the time to take care of themselves in the manner in which they know they need and deserve. The doctor or dentist who has read about complementary medicine or integrative medicine or holistic medicine or alternative medicine and know they must learn more about it, but just haven't? The chiropractor or bodyworker or holistic therapist who for some reason has stopped their studies in alternative medicine and realize there is so much that they still don't know. The pharmacist or health food store owner who hasn't had the time to leave their store and learn about the new products that their sales people tell them about.

### What Will You Do At The **NEWLIFE Expo**?

You will be able to attend lectures, classes and concerts (three going on every hour) taught by some of the most innovative minds on the planet, as well as meet the authors you have read about. Let them answer your deepest questions and autograph copies of their books for you.

### Think you will go hungry at the expo?

Never!! Some of South Florida's finest vegetarian restaurants and caterers will be serving you breakfast, lunch and dinner. Visit the 75 exhibitor's booths and sample their products and share their knowledge. Experience the products of the new millennium. Don't let life pass you by. You know that the water you drink isn't healthy, but you do not know which water purifier to buy. You use herbs and vitamins but you are not sure which are standardized or which ones really contain everything that the label states. You want to buy an air purifier but you don't want to get ripped off. You've heard about the benefits of magnets but never experienced them and don't know which ones work better. You have a friend or relative who isn't feeling well and their doctor isn't helping them but your intuition knows that your doctor doesn't know all of the options he/she has available to them.

### How Much Is The Day Pass And What Does It Include?

For only \$15 (\$12 in advance), you can experience lectures (three every hour), dance performances, music concerts, art and exhibits daily. A true Florida Bargain. Come to **NEWLIFE EXPO** and meet over 4,000 people who want to learn the same things as you. Take a weekend out of your life and enjoy a world of possibilities. Who knows, you might even fall in love. One thing I can promise is that your life will never be the same. Aren't you worth \$12 for a day? For all of you, you owe it to yourself to come to the **NEWLIFE EXPO** on September 12 & 13 at the Broward County Convention Center.

### Panels:

Don't miss our exciting panels which are free with the cost of admission and are 1 hour & 15 minutes long and are free with day pass. Our two Strange Universe Panels, which includes the 2012 panel, are the most well attended events in our NYC Expo, as is the incredible Sean David Morton and Judy Satori. We have added the Eco Panel, put together by Howard Dean, co-founder of the Florida ECONetwork, and includes speakers from Earthsave, Save The Earth, Sierra Club and the Audobon Society. Remember energy, air, water and food is what makes us and the world go round.

### Music:

Throughout the weekend there will be music, drumming, chanting and concerts with Trenzen, PHisonica, Yotolon Healing Arts, Mindtune Evolution System and Lyla Padma – free with day pass.

And remember... it's a **NEWLIFE!!!**

# Are You Ready For A Miracle

## Healing with Love & Forgiveness and the power of your mind

You may never have received the eight qualities of love as a child. Your parents most likely gave you a parenting program which was based on control, authority, discipline and compliance.

An Experiential Lecture and workshop with: Dr. Art Martin, Ph.D.  
Developer of a new healing modality, Applying NeuroScience, Energy Medicine with the power of our mind to heal any malfunction in our Life.

**Lecture: Sunday 3pm room 317**

**Workshop: Sunday 5pm room 302**

**For more info: Peggy 786-444-7245**

Dr. Art Martin reveals the secrets of how the mind codes information. Reprogram your mind for perfect health, wellness, love, financial, abundance and success. All illness, disease, allergies, diabetes asthma, chronic fatigue, fibromyalgia, most forms of pain, relationship conflicts can traced back to corrupted programs in our mind created in childhood. Our parents were never able to provide the 8 qualities of unconditional love for us since they never received it themselves. When do we stop this dysfunctional family cycle which destroys children.

Dr. Martin's background and training is in Psychology, Energy Medicine, Energy Psychology, Homeopathy, Chinese and Tibetan medicine, and many other therapies. He began his research in 1978 for a healing process in that worked, when he was told by a doctor in 1972 that he would be in a wheelchair due to the degeneration of his spine. He began developing Neuro/Cellular Repatterning (N/CR) when he discovered our mind is a computer. He has healed himself with the help of practitioners he taught N/CR. Author of eight books, including "Your Body is Talking, Are You Listening?" and "ReParenting Yourself"

**Please note:** Dr. Martin will be available for individual sessions from Sept. 14-21
